John Holland, internationally renowned psychic medium, has been lecturing, teaching, demonstrating, and reading for private clients for over 20 years. He believes passionately that once the physical body dies, our spirit lives on. He's dedicated his life to his own spiritual development and teaching others how to connect with Spirit, as well as offering peace and comfort during times of loss and bereavement. He continues to push the boundaries of authentic mediumship by developing an even higher awareness of Spirit. The best-selling author of Born Knowing, Psychic Navigator, 101 Ways to Jump-Start Your Intuition, Power of the Soul, The Psychic Tarot Oracle Deck, and The Spirit Whisperer, John also hosts his own weekly radio show, Spirit Connections. He has become a familiar face on television in shows such as the A&E special Mediums: We See Dead People, as well as becoming a psychic authority on the History Channel's Psychic History.

This book is great ~ you'll love John's stories and how he developed into his special spiritual gift &

life. He started out with some struggle, in the "slum" of Dorchester, MA (famed from the movie Good Will Hunting), and chronicles some of his AMAZING experiences while young: discovering a helpless mortally-wounded man by following 'the voices' ... escaping a huge fire ... falling lightly out of a 3-story tree ... and his life-changing near-death accident in which 'invisible hands' controlled & saved his care & life! You'll laugh & cry (have tissues handy) along with this sensitive man's recounts; journey with him as he discovers his abilities and what they're all about. I love discovering the Spirit World by reading the various psychic-mediums' biographies of Growing Up Psychic

John writes so everyone can understand and I found myself crying tears of joy for some of the people seeking messages from the other side. I find it comforting to know that loved ones are still here with me even though I can't see them.

Well written. Gives great tips. Wonderful stories. I like how he takes his experience from the beginning and what he learned. Wish there was a school by me. I'd be there in a heartbeat.

Loved it! Mr. Holland seems like such a nice, genuine person!

A very knowledgeable author, about a very interesting subject. Mr. Holland knows his profession well, and has the heart and compassion for the job. This book is well written. I found myself laughing and literally crying. If you are looking for acknowledgement or proof of an afterlife, you will find it in this book.

This book made me feel good inside. Was recommended by Anita a Moorjani, "Dying to be Me". I highly recommend reading this book especially if you have lost someone dear.

This book was like a breath of fresh air!

Being that I'm on my own journey to bring my intuitive side alive, I was instructed to read this book prior to going head first into my abilities. I don't typically like to read. But last night I read half the book prior to bed. NOT like me. Definitely a great book. And I have to say.. it's NOT a yawner either. He's funny and light. Down to earth and simple, yet complex and loves what he does.
