Remember Us (The Vincenti Series Book 2)

Synopsis

In this sequel to the best-selling lesbian romance novel, Finding You, Lauren Vincenti travels back to Corsica to recover her health and rebuild her relationship with her mother. But things don't quite go to plan. Is Lauren able to let go of the past and will she comply with her father's last wishes for her to take over the family business? Anna Taylor-Cartwright's career is hitting a new high, and her best friend, Eva, is in love. Get ready to fall in love all over again, with the brilliant conclusion to The Vincenti Series. Reviews for FINDING YOU (Part 1 of The Vincenti Series)... "Must read. Very well written and draws you in from the start! Can't help but fall for Lauren and Anna. What a cliffhanger... Can't wait for book 2 and anything else this author writes. Exciting to add another top UK author to the mix. Fantastic." "An accidental find but what a find !! Emma's debut novel is a must read. Great plot, characters and dialogue. Twists and curve balls leave you wanting more. Loved the characters and the story. An intelligently written book. If you are looking for a great Lesfic novel then your search is over. Can't wait for the sequel." "Beautiful love story that had me falling in love with both lead characters! Not only did it want me to keep turning pages, it also left me desperately hoping there is a second book out. Soon."

Customer Reviews

I'm not sure if I like this one better than first one as it does conclude the story of Lauren and Anna. I guess when it comes to memory loss I always like and wait for that "Aha" moment. Don't get me wrong the story does have a HEA and for that I am grateful for. The story also dives a bit more into Eva who was introduced in the first book and maybe more into her story than the other two. The interaction between Lauren and Anna are actually very sparse which I guess is understandable. Regardless, I enjoyed reading it. And fans of the first will hopefully enjoy it just as much. I do wonder if we will get to read more about Eva and Rosa and maybe even Hanna...maybe

What a magnificent book! I had such sympathy for Lauren because she couldn't remember the relationship she had with Anna. I had such compassion for Anna because she COULD remember their relationship. Life has a habit of throwing you curves and how you handle them is really up to the individual. Both of these ladies were strong women but handled their life curve in different ways---one by ignoring it and the other by wanting to overcome it. The thing to remember is that love really can conquer all. It is how they both allowed that to happen is what makes this book one of the best I've read. While this can easily be a stand alone I would recommend that "Finding You" be read first so that you know their love story in depth. For a new author this has been an exceptionally good book and the editing was first class. Writing style is excellent. Ms. Nichols, I for one will be anxiously awaiting more books from you. You have great talent!

Can love survive after a tragedy? That's the question that Lauren and Anna faced. If you read Finding You then that statement was of no surprise. If you haven't then please begin the series. You won't be disappointed. I loved these two as a couple. To Emma the author great job. Anxiously awaiting for book 3 of the series The Hangover.

I just found the first book and loved it. Was excited about the fact there was a book 2. Sadly I found out it wouldn't be released for a week after I found the first one. I put it on my calendar and when the alarm went off I was excited. I am so glad even with the gap in memory they ended up together. Thank you for a great nail biting story.

I almost cried through the part of this book. It was easy to imagine the pain that Anna was going through. I think that everything was tied up pretty nicely. It'll new interesting to see what book 3 offers.

i enjoyed both books very much. there was great character development. I had a hard time putting it down. i would love to see more book in the series.

An intriguing book of pain and lost, but with a hope so intense and undescrivable love so forgiving and kind. I completely recommend this book.

this such a great story its the second time I've read this if you're looking for a great read this is it and can't wait for book 3
