Are you looking for a captivating, educational book about the Hebrew alphabet? You'll be happy to know Sarah Mazor has created just what you'll love. Not only will you learn facts like there are twenty-two letters in the Hebrew alphabet, but also how to pronounce each letter, plus popular boys' and girls' names starting with each letter. Many other facts are included as well. For example, you'll learn which Israeli cities start with each letter and some history about each of those places. I loved this book and learned so much from it. You and your family is sure to feel the same about it. I highly

recommend this wonderful book. Reviewed by children's author, Deanie Humphrys-Dunne

Mazel Tov, Ms Mazor. I thank you for a better way to learn. Perhaps if I was more adept w/ kindles, pads, etc., I would be able to enjoy your other works soon.

My daughter loved it. Great for beginners of any age, children or adults. Coloring pages are a great bonus. Highly recommend!
