Bun B's Rapper Coloring And Activity Book

Synopsis

"Bun B's Coloring and Rap Activity Book' is evidence that C.R.E.A.M. still sometimes rises to the top." --LA Times
Rapper Bun B lends his street cred and occasionally his face to the creative, hilarious, and just flat-out fun imaginings of Shea Serrano in Bun B's Rap Coloring and Activity Book. Described by the Washington Post as "what every hip-hop head wishes they had as a child," this imaginative work started as a series of printable rap-related coloring and activity images. The 48-page, fully interactive book of coloring pages, unbelievably clever activities, and smart plays on rap culture brings these stars and their music right into your living room. Featured rappers include: Bun B Tupac Drake Queen Latifah Jay Z Talib Kweli Ice-T Common Wiz Khalifa Tupac Ludacris Kanye West LL COOL J Big Boi Notorious B.I.G. Childish Gambino Questlove B.o.B Mac Miller And many, many more! Praise for Bun B's Rap Coloring and Activity Book: "A star-studded cast of some of the biggest names in rap, all in one book." --Fast Company's Co.Create blog "It's 48 pages long, and that's the exact same number of pages the Bible has, and that's not an accident. That's a little thing called God's will." --Vice.com "The book is funny, smart, and as kid-tested, mother-approved as some of these guys get." --Vulture.com "Hilarious...razor sharp." --XXL

"Like the old saying goes, the crayon is mightier than the sword. Bun B and Shea have assembled a perfect collection of today's brightest hip hop stars for fans of all ages to create, color and remix.

The "Bun B's Rap Coloring and Activity Book" is like your own personal mixtape that you can hang on your fridge and impress everyone with." --Mike Ayers, "The Rolling Stone" "The hip-hop coloring book is the single most important thing to happen to color since Cam's pink Range Rover. Everyone should want a Serrano in their backseat." --Nate Erickson, "GQ" "This is one of the few Tumblr-to-book projects that doesn't make me want to punch my computer in disgust. If the phrase 'see if you can build a Budden' doesn't make you chuckle, then you should stay away from hip-hop or jokes." --Christopher R. Weingarten, SPIN.com "48 pages of MC worship mixed with a generous measure of the kind of casual dissing of its star players that hip-hop excels at." --Miles Raymer, "Esquire" "When I'm listening to Drake, I sometimes feel blue. Now, thanks to Bun B's Rap Coloring and Activity Book, I can make Drake blue, too. And for that, I am eternally grateful." --Ryan Dombal, Pitchfork.com

Shea Serrano is a New York Times bestselling author. Currently, he is a staff writer for The Ringer. Bun B is a legendary figure in rap, currently the most popular form of music on the planet. As part of the groundbreaking group UGK, he helped pioneer Southern rap in the 1990s.

This book has met my expectations. I'm glad that I ordered two. One for me and one for my unborn child.

I could NOT have gotten a better birthday gift for my friend. Every page is better than the one before. The "learn to draw Luda" page was a definite hit with the whole crowd at the party!

I gave this as a gift to a friend who loves rap (old and new) and colors to relieve stress (he's 31 yrs old). He loved it and couldn't believe something like this even existed. He was flipping through the book as was blown away by who was in it. I would love to see a bigger one (it's a little short) or even a series.

I got this for my teen son's Easter basket as a funny gift. He actually really enjoyed it and he thought it was cool. It has more than just coloring pages. The activity pages were nice and full of well known rappers. I got a kick out of the paper doll on the cover and it sent me back to my childhood. My son didn't cut those out but I think it was very creative.

I'd give this a 4.5 out of 5 stars. I only dislike the fact the images are printed back to back. I like to

pull pages out of books and color on top of a coloring board. I figure like it limits the media I can use because I'd hate for markers and such to bleed through. Otherwise, it's a superbly constructed book. I got it for the old head "real" rappers and will probably give the new school "rapper" images to my brother, but I'm still looking forward to coloring the images on these pages.

Bought this for my nephew's 11th birthday. He claimed he was too old for coloring books until he saw pictures of hip hop moguls. This is excellent & a blast to color.

If you are a fan of hip hop you should get this coloring and activity book. Bun B is of Underground Kings (UGK) fame and I think this is really great he is doing these types of original things. Each page has a different hip hop star on it with an individual activity theme. He really spans the genre giving you everyone from MC Lyte to Ludacris. I am 39 and have been a fan of hip hop since 5th grade. I bought one of these for me and one for my little brother. Hahaha he loves it as well! I got us each a brand new box of 64 crayolas with the built in sharpener to go with it. It's great!

Excellent -
