Moving The Mountain: Women Working For Social Change (Women's Lives, Women's Work)

Synopsis

Florence Luscomb campaigned for suffrage early in the century and worked for social change. Ella Baker was a civil rights organizer for over fifty years. Jessie Lopez De La Cruz, a lifelong farmworker, was the first woman to organize in the fields for the United Farmworkers. These vivid oral histories of the lives of these three remarkable political activists document a century of social change movements.
