Selected Studies: For Saxophone (Rubank Educational Library)

Synopsis

(Woodwind Method). For all saxophones These excellent studies are the next step for students who have completed the advanced level method for their instrument. The full-page etudes in this series, key-centered and supported by scale and arpeggio exercises, take the student to that next level of performance wherein their accumulated skills allow them to play full-length performance pieces with a high level of musicianship and competence. As such, many states include these pieces in their all-state audition lists.

Great book to practice my saxophone skills.

It's a good study guide. You must have a very pronounced ability to use your instrument to tackle some of the more advanced lessons available. But it's a good lesson guide and I recommend it to all serious musicians.

This is great for building technique and other minor things when playing. It has etudes in every single key major, and minor, i highly recommend this book and the 48 Famous studies and 3 duos concertants for oboe or saxophone

Really good exercises. Seems like the alto sax equivalent of Rose for Clarinet.

Excellent Rubank Selected Studies - Saxophone music book! Kids enjoy challenging themselves and this book is the next step in their music journey. Quick processing and shipping, very pleased with purchase.

I bought it for my saxophone repertoire! I love it. It has really gave me something to practice on when I'm bored of the old things i have. I PROMISE IT'S TOTALLY WORTH BUYING FROM THIS SELLER! FORGET IT'S PAPER COVER, WHAT YOU WANT IS THE ETUDES INSIDE!

Awesome practice book, good quality product.

I bought this book for my applied woodwind lesson and it was in great condition. This book has definitely helped me improve my playing skills.
