Sunset The Great Outdoors Cookbook: Adventures In Cooking Under The Open Sky

Synopsis

2015 IACP Cookbook Award Winner Organized around the places and ways we cook outdoors: the backyard grill, the picnic, the campsite, or the cabin, The Great Outdoors Cookbook draws on the long tradition of cooking and living in the great outdoors. Discover the tradition and evolution of outdoor cooking in the West with stories, quotes, and historical photos from the rich archives of Sunset magazine from camp cooking, dutch oven cooking, pit barbecuing, to today's fresh, modern, healthy approach to cooking and eating outdoors. With 200+ fresh recipes and 150+ full-color photos, this book has everything readers need to experience the ultimate outdoor cooking adventure - from menu planning and packing tips, to easy step-by-step cooking techniques, from the best advice on supplies and cookers to strategies for eating well and cooking outdoors -- that's all here and so much more. All in celebration of the life lived outdoors. Features include: Over 175 recipes that cover the full range of outdoor cooking More than 125 full-color gorgeous photos Step-by-step instructions for outdoor cooking techniques, including grilling, smoking, Dutch oven and solar oven cooking Expert advice on the latest outdoor cooking equipment: grills, smokers, camp stoves, fire pits, outdoor pizza ovens, and more Menu planning and food packing suggestions Nutritional data for every recipe

Customer Reviews

Whether your ideal alfresco cooking scenario involves a roaring campfire or simply firing up your backyard grill, Sunset magazine has got your back with its latest tome. •San Francisco Chronicle This cookbook is truly your one-stop-shop for anything you need to know about cooking

outdoors...Sunset has always impressed me with their ability to take a simple dish that we all already know and love - like, say, a grilled steak - and turn it into something fresh, new, and instantly appealing - like, say, serving that grilled steak with a chile and lime marinade in grilled tortas...As long as you have a well-stocked spice cupboard at your cabin in the woods, you will certainly not get bored.â •The Kitchn

For more than half a century, Sunset has been helping readers remodel their homes and improve their lives. Sunset has a circulation of over 1.1 million and a readership of 5.325 million.

Beautiful book, many great recipes.....BUT I was looking for more down to earth Camping recipes, not backyard barbecue, not recipes that require building a large apparatus for cooking. Camping, as in tent camping, coleman stove camping!

I think Sunset tried to cram too much into this book and it turns out not having a clear direction. I thought it was going to be a "camping" cookbook, and while it has a number of such recipes (even a couple of backpacking ones), the main focus of the book is on the outdoors behind the house. Don't get me wrong, the recipes are great, and I have already made a couple and planning to make more; however, most recipes have too many ingredients and too many perishables to make them practical for extended camping trips with food out of a cooler. Else, a nice "coffee table" cookbook with great photography and fun recipes for mostly "pretend" camping.

Great cookbook with a quality feel to the pages. Great photos to get you excited about what you're about to experience. If you love to cook and feel it's more of an experience than a task, you will love this book!

Got this as a gift. Long-time Sunset magazine lover and thought this would be a really neat cookbook. Not so much. Got it as a gift and now I feel badly that I'm giving it as such.

As always, with Sunset Magazine, you can't go wrong! Gave this as a Christmas gift to my daughter and son-in-law, and they were so excited!

Great cook book (and more)! A lot more than just recipes. I recommend it to anyone who loves cooking outdoors, especially over an open fire.

This cookbook is the best camping cookbook I've seen. It explains what you need to do at home and at the campsite so you can make wonderful interesting meals and camp fun.

Being prepared for having an adventure, whether BBQ at home or camping. This is the right book for me.
