I was very amazed by the treatment these poor people were enduring in the so called mental hospital. This story even though was a beautiful love story which I enjoyed very much. It was a story about the suffering of these patients and even some of the staff due to a warped individual, Sylvia was a very strong dedicated woman who risked her life to be sure the truth was found. I recommend this story to all who want to see truth and justice prevail along with love, kindness, and friendships. Katie Wyatt did a fabulous job writing this story! Starr as Ruby Slippers

5 star's for this book!!!!!! Katie Wyatt has written a book on a subject I personally know little about. The Mental institutions of yesterday. I learned things about people and corruption that rivals any that we see today!!!!!! I enjoyed this book and I hope you will too!!!!!!

This dark story of mental illness, was dark and sometimes troubling. However I do remember the the news accounts of horrible things the author lightly touched on. The author Katie Wyatt, brought out the corruption and power of some employees in the institutions. Even though it's a bit dark, it is still a story of a mail order bride, Sylvia, who meets her husband, a doctor in an institution. What she begins to realize is there is corruptions. You see the strength of Sylvia and I was amazed. Point of story for me was: sometimes, we need to go through the dark to get to the long lost dreams we had.

Good story, but I for one was glad, I didn't read it on a dark and stormy night.

Sylvia's Haven is an adorably good read ! I really loved it !

Very good christian book. Enough drama to keep it interesting and how it is back in that day. How cruel and terrible people people can. I also enjoyed the little history lesson on the end of your books.

Sylvia Harris has parents and twin brothers theocrats very intelligent rancher father has put all kinds of knowledge into her head she wants to get away from them all she has been writing to a doctor in north Dakota for almost a year now. Supervision berserk marry Dr. ARTHUR Beddington. She finds out his job is at the asylum and he has a cabin near by. She has to stay in the asylum until they are married. This is full if things and is filled with a lot of mystery and intrigue.

The author has done a good job of telling her story. I worked for twenty years in a treatment hospital, unless you have worked with the less fortunate, it is hard to understand.
